

Kool Skools Lunchtime Concerts Presents **Natasha Duarté** *at your school*

plus an industry Q&A session

Kicking off the tour is the sensationally talented Natasha Duarté and her band. She has just won the national youth songwriting competition (ACMF) and has released the winning song through Empire Records. Check out her video at: youtube.com/empireaustralia

Kool Skools will provide the whole production of sound and lights so it will be a really exciting rock show for your students. The show can be held in your school gym or assembly hall at lunchtime or mid afternoon. *All we ask is a \$2 coin entry from each student for which they will get a copy of Natasha's new EP, "Wanted To Feel"

***No Cost to the School for bookings in April and May 2012**
